**PARTS WARRANTY**

E. D. Etnyre & Co. warrants to the original Purchaser, it's replacement parts to be free from defects in material and workmanship for a period of twelve (12) months after date of delivery to original Purchaser.

The following are exceptions to this policy:

- (1) All new electronic components are warranted for a period of 60 days. This is subject to vendor approval.
- (2) Remanufactured electronic components are warranted for a period of 30 days.
- (3) Remanufactured hydraulic components are warranted for a period of 60 days.
- (4) All non-Etnyre manufactured components are subject to the original warranty of the manufacturer.
- (5) New hydraulic components are warranted for the period of time set forth by the vendor of the individual item.

The obligation of the Company is limited to repairing or replacing any defective part returned to the Company and will not be responsible for consequential damages or any further loss by reason of such defect. Furthermore, the Etnyre Co. will not be responsible for any labor charges, freight charges, or transportation costs incurred by the purchaser if said part were to fail.

This warranty does not apply to:

- (1) Normal start-up services, normal maintenance services or adjustments usually performed by the selling dealer, factory service representative or customer personnel.
- (2) Any product manufactured by E. D. Etnyre & Co. purchased or subjected to rental use.
- (3) Any product or part thereof which shows improper operation, improper maintenance, abuse, neglect, damage or modification after shipment from factory.
- (4) Any product or part thereof damaged or lost in shipment. Inspection for damage should be made before acceptance or signing any delivery documents releasing responsibility of the delivering carrier.

This warranty and foregoing obligations are in lieu of all other obligations and liabilities including negligence and all warranties of merchantability or otherwise, express or implied in fact or by law.

The company excludes all implied warranties of merchantability and fitness for a particular purpose. There are no warranties, express or implied, which extend beyond the description of the goods contained in this contract.

This manual covers standard features and options. If your unit incorporates custom features, some of the information contained in this manual may not apply. If you have any questions regarding this manual or your unit, contact your dealer or the E. D. Etnyre Service Department at 1-800-995-2116

**WARNING**

Unsafe operation of equipment may cause injury  
Read, understand and follow the manuals when operating or performing maintenance.

## Reporting Safety Defects

If you believe that your vehicle has a defect which could cause a crash, injury, or death, you should immediately inform the National Highway Traffic Safety Administration (NHTSA) in addition to notifying E.D. Etnyre & Co.

If NHTSA receives similar complaints, it may open an investigation. If it finds a safety defect exists in a group of vehicles, it may order a recall and remedy campaign. However, NHTSA cannot become involved in individual problems between you, your dealer, or E.D. Etnyre & Co.

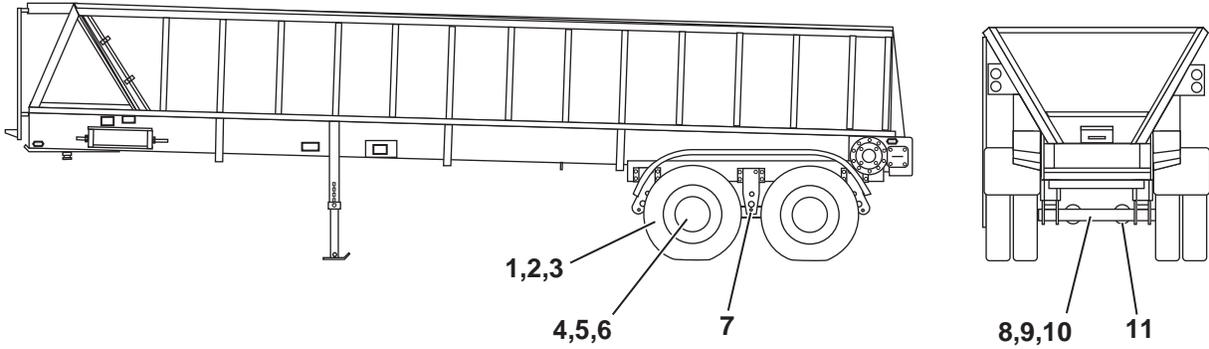

To contact NHTSA, you may call the Auto Safety Hotline too-free at 1-800-424-9393 (or 366-0123 in the Washington, D.C. area). Or, you may write to: U.S. Department of Transportation, Washington, D.C. 20696. You may also obtain other information about motor vehicle safety from the Auto Safety Hotline.

\*\*\*When ordering specify Frame width (F.W.), Length or part, or detail number.  
 \*\*\*Optional equipment see spec. sheet for standard A & B dimensions.  
 \*\*\*Furnished by customer.  
 ■ Indicate length, F.W. & inside or outside mounting.  
 † Cut to length, see dimensions on spec. sheet.  
 Date of Mfg. is stamped in single speed gear box cover -- (Item No. 7).

**CAUTION ALWAYS SPECIFY FRAME WIDTH AND MODEL NUMBER WHEN ORDERING**

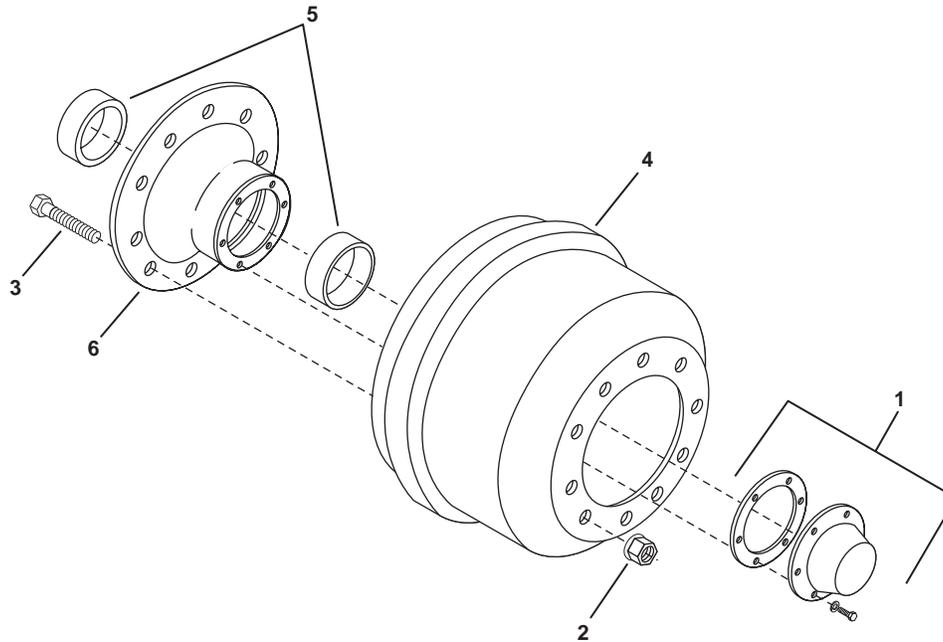

**NOTE:**

1. Always specify frame width when ordering.
2. Brace ears will be supplied loose. To be welded in place by customer.
3. We recommend the use of cross and back braces.
4. Braces are accessories and will not be shipped unless specified by customer.
5. Where shaft is too short to use J-122-B hanger, J-7153 will be furnished. To be welded in place by customer.
6. **CAUTION** -- When trailer design requires crankshaft bracket attached to leg, specify with leg mounted extension bracket.  
 For frame width 36 to 45 inches use crank bracket 8855-2; for frame width 46 to 53 inches use crank bracket 8855-1.  
 7. Perm. lub. models available on request.
