

# Distributor Uptime Kit

Standard Spray Bar

7051463

**We are pleased to announce new parts bundles designed to minimize down time.**

- Saves customers a minimum of 2 days down time by allowing them to replace critical parts immediately.
- Kits will be stocked for same-day shipment.
- With down time costs of \$2,000/hour, kits can save customers \$32,000 or more with the very first part they replace.
